**FRIDAY, APRIL 1, 2011**

Dear Friends,

Mark your calendars for this special event to benefit The College Club Scholarship Fund, on Friday, April 1 from 6 -9pm. Join members of the Scholarship Fund, the Program Committee and other members and guests as we welcome spring with cocktails, an array of delicious hors d'oeuvres, and a special performance by the Boston Arts Academy's jazz trio. Bid on several fabulous auction items - all proceeds from the auction will go toward tuition scholarships for graduating Boston Public High School seniors. Break out your spring wardrobe, invite your friends, and don't miss out on this great event! Reservations are a *must*, so contact the Club today!

**Great Auction Items!!**

**Cocktails and Hors d'oeuvres!**

You can also help us raise scholarship funds by donating an item to the auction taking place that evening. We are especially interested in unique items and one-of-a-kind experiences. Do you or your company have season tickets for one of our hometown teams? Do you have a timeshare or a vacation home? Do you know a celebrity chef who would cater a group dinner? Are you friendly with an award-winning author who will sign his or her latest novel? Please contact Francine Crawford at [francine.crawford@verizon.net](mailto:francine.crawford@verizon.net) to discuss how you can help!

**Live Jazz!!!  
Special Guests!!!**

If you are unable to attend the event but wish to donate to the College Club Scholarship Fund, please visit our website <http://thecollegeclubofboston.com/scholarshipfund12.html>. The CCSF is a 501(c)(3) charitable organization. All donations are tax-deductible to the extent provided by law.

We look forward to seeing you on April 1<sup>st</sup> !

Alison Quartermain Gersten  
Chair, Scholarship Committee
