

College Club Scholarship Fund isn't fooling around

THE WINTRY WEATHER DIDN'T DAMPEN THE SPIRITS of College Club Scholarship Fund supporters who turned out for an April Fool's Day benefit that raised more than \$4,000. The funds raised in live and silent auctions will go directly to scholarships for Boston Public High School students.

The scholarship fund provides up to \$20,000 in scholarships to 10 Boston Public High School seniors each year. Recipients are selected based on an application essay and in person interview. While academic achievement and financial need are important criteria, maturity and strength of character are emphasized in the selection process.

The College Club Scholarship Fund is a charitable organization affiliated with The College Club, a wom-

en's social organization located at 44 Commonwealth Ave. The club runs a bed and breakfast out of its Commonwealth Avenue townhouse and hosts numerous cultural and educational events.

The College Club Scholarship Fund would like to thank its many supporters within the College Club and the local business community, including Dancing Deer Baking Co., Grettacole, Aquitaine Group (Gaslight), Acote Salon, Massage Envy, the Wianno Club, Salon Mario Russo, the Red Sox Foundation, the Boston Celtics Shamrock Foundation, Stephanie's on Newbury, Cafeteria, the Museum of Fine Arts Boston, Boston Duck Tours, Kings Boston and Pawsh Dog Boutique.
