The College Club of Boston Scholarship Award 2012

Description: Since 1985, The College Club Scholarship Fund has provided grants to nearly 200 graduating Boston Public High School seniors toward the cost of their college education and we will be continuing that practice this year. The exact number and amount of awards vary with the amount of funding that we are able to raise. In past years, it has averaged between 10 and 12 students. In 2010, each award was for \$2,000. In 2012, the award will increase to \$3,000. Grants will be sent directly to the colleges the students will attend.

Eligibility: To be eligible for the awards, students must be seniors in Boston Public High Schools (including charter schools), admitted to accredited colleges or universities, junior colleges or schools of fine arts or music. In addition, students must have demonstrated scholastic ability, financial need and have been active in school and/or community affairs. The application is available on the website listed below.
